

OFF-THE-ROAD TYRES-RADIAL

CB791

Rigid Dump Truck

- Aggressive lug design with extra deep grooves offer strong traction for dump trucks requiring power traction to travel over soft and muddy terrain
- Different compounds to optimize performance in all applications
- Additional protective sidewalls are shaped to minimize damage from cutting
- Optimised Retreading Ability because of the robust casing

Size	TBA Code	Ply Rating	Service Index	Standard Rim	Tread Depth (mm)	Tread Depth (32nd)	TI/TL
